**KEYNOTE PRESENTATION:**

**Think First  
THEN *Think Big!***

Joe Rhea helps us realize the consequences of our actions, and what it would be like to live through a catastrophic, life changing event...an event that could often be prevented by thinking first.

His personal story began on the football field, resulting in a tragic injury that left him paralyzed from the neck down. He shares his experiences with overcoming quadriplegia, and offers a heartfelt look into what it takes to be successful in life.

Through a remarkable life journey, he has discovered that anyone can **Think Big** if they just believe in themselves and are willing to work hard for it. **His presentation is full of passion, pride, and inspiration, all of which are key elements in the pursuit of one's goals in life!**
